If Ayou're looking for things to do in the Florida Keys that give you a different view of the quintessential experience of the South, Ayou'll find along this chain of islands. The southernmost place<sup>1</sup> in the United States will certainly be able to surprise you with its island vibrations and tropical streets. Along with its beach charm, the Keys are the home of locals who boast sheet metal mailboxes and have a healthy obsession with Key Lime Pie, with recipes ranging from pleasant palate to labyrinth. The motto qui â Â Âone Human Family, Ã ÂA but this ÂAdoes not prevent native iguanas and outdoor chickens from popping their heads off the edges of the green and bushy streets to greet. Florida Keys points of interest are best explored by car, with the top already<sup>1</sup>, wrapping the road along 126 miles of Highway 1, drifting on bridges and your two feet are acceptable ways to move. Strap on a pair of fins and snorkels, or dive through the barriers of Biscayne National Park. Learn the names of all those captivating flowers and other landscapes you canÂÂnot avoid on these islands if you tried. The best time to visit the Florida Keys vacation packages today. Â never anywhere like the Keys. I dreamed of a Florida Keys vacation since I was a teenager and saw for the first time images of Key West and all the places to visit in Florida Keys. Well we finally made a family trip to the Keys (several actually !) and worked hard to create the best Keys itinerary with the children in mind. Â We stayed at several Florida Keys resorts, including some vacation rental options, and have great tips for where as you explore. Also, keeping in mind the smaller crowds<sup>1</sup> and the abundance of nature in the Florida Keys, this plan of vacation  $\tilde{A}$  is great to have a er $\hat{A}\hat{A}$  (uoy nehw snoitpo esent redisnoc). flah a dna ruoh na ylno s $\hat{A}\hat{A}$  (ti ograL yeK ot eladreduaL troF morF). syek adirolF eht fo tsommrehtron eht ,ograL yeK ot tropriA lanoitanretnI imaiM morf evird s € eht dna ,tseW yeK otni yltcerid naht sthgilf repaehc hcum dnif ll¢uoy esuaceb aedi taerg a si aera eladreduaL troF dna imaiM otni sthgilf tcerid tcerid nac uoy ,tsaoC tseW eht morf tisiv ot is vorf tisiv ot is a era eladreduaL troF dna imaiM otni sthgilf tcerid tcerid nac uoy ,tsaoC tseW eht morf tisiv ot to ever reisae neve ti ekam oT sallaD atnaltA ettolrahC ogacihC CD notgnihsaW aihpledalihP kraweN kroY weN notsoB :morf elbaliava era etats fo tuo morf sthgilf terid fo rebun riaf a era ereht tub, thisgilf gnitncenoc a gnidulcni yhht esuceb yllausu, yecirp eb nac t sew yek ot sthgilf .adanac dna asu eht ni tu kcehc .syek eht ni sto ps reisub etv dnoveb your vacation in Florida Keys, especially if you're coming from the West Coast, because you'll save time and money as there are so many flights on many airlines. Flight Tip: If you're from the Pacific Northwest, it's easy to use Alaska Airlines miles for direct flights to Fort Lauderdale (FLL) or use the same miles as your partner airlines to Miami (MIA). Another way to get closer to the Florida Gulf Coast road trip. You can fly to Tampa (TPA) or Orlando (MCO) and explore Central Florida and the Gulf, reach Everglades National Park or Biscayne National Park, then head south to the Florida Keys â check out Discovercars.com to rent a car for the trip. Lots of interesting and fun options to see all the best Florida has to offer! by eyw.comDriving the Overseas Highway is one of the most beautiful roads I've ever driven. The trip to Florida Keys is beyond beauty! The Beartooth Highway in Montana offers epic views and the Pacific Coast Highway through California is full of iconic attractions, but the Overseas Highway is absolutely breathtaking. Connecting 43 of the nearly 1700 islands of the Florida Keys (most of them uninhabitable), the Overseas Highway offers incredible views. During our recent trip from Key West to Key Largo, we saw dolphins and even a giant manta jumping as we watched from the car heading towards the highway, you can make many easy stops, including many of the state parks just off the main road, or take a naturalistic and historical tour in a comfortable van with a professional guide and visit more than 20 bridges along the way to three islands, including the National Park. The Blue Hole and more. Driving the Overseas Highways is a highlight of any Florida Keys vacation. Tip: make stops stops The highway overseas for activities like walking the Heritage Trail near the Indian Fill Key or Kayaking at Spanish Harbour Key near Bahia Honda, one of the best places for kayaking in South Florida. Communities. Some really feel like cities and others seem as if they are just recurring and supporting business along the highway, but drive a block or two and you will find that there are shops, restaurants and marina everywhere. There are gas stations on almost all key and grocery stores on Key Largo, Islamorada, Marathon and even keys you'll find almost every kind of service or shop you might want. There are many souvenir shops, key lime pie points and many fishing charters available while making stops. When to vacation in Florida all year round. With a median temperature of 82 degrees F per year, you can't go wrong. The coldest month is January with an average of 74 degrees and the hottest month is typically August with an average high of 89 degrees. Yes, it can be cold if you get out in the winter months tends to be much hotter than anywhere else in the United States (except Hawaii). Hurricanes in the Florida Keys The thing to consider when you are planning a vacation in the Florida Keys is hurricane season. While the technically hurricane season in the Florida Keys is considered from June 1 to November 30, the most active period is August 15 to October 30. This does not mean that there is a constant hurricane clock or that a Category 5 will develop during the night, but only that is historically when they have developed Most hurricanes. Booking your stays so that you have long journeys every day will save you are in for the day. You will still have the opportunity visit the places among the many Keys, but you will not have the stress of changing hotels more1 times, allowing you to have a guieter holiday1. Key Largo vs Key West: What' the difference As we traveled through the Florida Keys and shared our experience on Instagram we had a lot of guestions about how to stay in Key Largo vs Key West. Keys vs the whole chain in a adventure. So here's the scoop. Key West A I a city with a historic center, with countless hotels and bed and breakfast, and A I big enough to have its own airport. Key West A is a great starting point for adventures on water, but also for exploring on foot. You can2 walk to almost everything inside the city of Key West and in fact you don't even need a car. And thereà is a ton of lime key cake to try at Key West. (Take my recipe here for the lime key cake to try at Key West. (Take my recipe here for the lime key cake to try at Key West.) Highway and although there is a phenomenal bike path on Key, A is much less walkable than Key West. Key Largo has sliced beautiful resorts, some different tourist ports and even more<sup>1</sup> state parks. It's more scattered and much quieter than Key West. Key West vs Key Largo when you are trying to plan your vacation Florida Keys A l plus1 of a concept of dividing your trip into a busy part and a relaxed part. Spend time in Key West enjoying the Florida Keys and Key Lime Pies culture, then spend several days in Key Largo simply enjoying snorkeling and kayaking, and then relax in your resort or home As you start planning your Florida Keys holiday, you will see that there are really plenty of resorts and hotels to choose from, of every to split your time staying a few days in Key West and then the rest of your time up in Key West hotel that is walkable to Old Town. You can also find B&Bs and boutique hotels that range from super modern to vintage Florida. Key West is wonderfully eclectic in that way. There are all kinds of short term rentals too, from studios in 19th century homes, to rooms in picturesque bed and breakfasts. Whether you¢ÄÄÄre visiting for a few nights or a month, private rentals can be a great budget-friendly option over a larger resort or 4 star hotel. If you¢ÄÄÄre considering a vacation rental or booking through AirBNB or VRBO, be sure that you read the reviews and fully understand the space you¢ÂÂÂre booking (and the fees too). Watch for notations such as ¢ÂÂshared space¢Â or ¢ÂÂefficiency.¢Â Don¢ÂÂt worry, we have Florida Keys resorts to recommend to you too. We¢ÂÂÂre not going to leave you to the wild west of the internet to find a solid recommendation. Upper Keys: Ocean Pointe Suites, Key Largo We love Key Largo We love Key Largo We love Key Largo for its chill vibe and abundance of natural areas. The island isn¢ÂÂt as developed as others, but still has lots of great restaurants and activities. On Key Largo, we stayed at the Ocean Point Suites resort. Set away from the Overseas Highway, it¢ÄÄÅs located on the water with gorgeous views. There is a cafe on property at the clubhouse on the marina, and a full bar, perfect for a drink at sunset on the water. The layouts and basic features are the same, and all have balconies and a water view, but the units may vary a bit inside. We stayed in a two bedroom condo unit that slept six: 1 king bedroom w/ bathroom, 1 bedroom with 2 twin beds, and then a pull-out sofa sleeper. There was a full bathroom connected to the main living space, and a washer/dryer Sâ \*\* â ti, evoba dias i in id ehcna enopsid troseR yaC skwaH'L .troseR yaC skwaH e yeK kcuD onadnocric ehc ilanac ied onu ad irouf aneppa eznacav ottiffa ni asac anu ni itats omais .etavirp enicsip noc itlom ,areihcs a esac id enoizelloc ednarg anu "Ã'c iop e ,enicsip noc itlom areihcs a esac id enoizelloc ednarg anu "Ã'c iop e ,enicsip noc itlom areihcs a esac id enoizelloc ednarg anu "Ã'c iop e ,enicsip noc itlom areihcs a esac id enoizelloc ednarg anu ni itats omais .etavirp enicsip noc itlom areihcs a esac id enoizelloc ednarg anu ni itats omais etavirp enicsip noc itlom areihcs are sac id enoizelloc ednarg anu ni itats omais etavirp enicsip noc itlom areihcs are sac id enoizelloc ednarg anu ni itats omais etavirp enicsip noc itle elapicnirp lah allad irouf aneppa eznacav esac id enoizelloc ednarg anu ni itats omais etavirp enicsip noc itlem areihos etavirp enicsip noc etavirp enicsip noc etavirp enicsi id enoizelloc anu "ÃÂ Â ehc letoh nu ais "ÃÂÂ otnauq ni ograL yeK us setiuS tnioP naecO a elimis "Ã troseR yaC skwaH .enoizisop amittO .) adaromalsI a onif eravirra ecolev ehcna iop am , Ãtivitta el e itsap i rep anotaraM ni eracubs elicaf otats "Ã .elartnec enoizisop aus al omavama e yeK kcuD us troseR yaC skwaH a itats omaiS .adirolF alled ivaihC ellen inoisremmi e acsep id Atilibissop elled etlom rep elaedi "A eznaniciv ellen erenamir idniuq, ilartneC ivaihC elled etrap anu "A nohtaraM id Atinumoc / Attic aL .droN a egdirB eliM neveS lad onodnetse is syeK elddiM eL yeK kcuD, troseR yaC skwaH :syeK elddiM !troseR ograL yeK etiuS etnioP naecO li iuq atonerP .otadlacsir / elibissecca eresse non ebbertop enoigats alled adnoces a am , Ateirporp allus oiggassamordi acsav e anicsip anu ehcna "A'c :atoN .aguf al rep elovecaip e alliuqnart enoizanitsed anu arE .enif alla apalap nu noc ocserottip olom li e atavirp aiggaips al ,eivorgnam el osrevartta isrocrep i ,ograL yeK us enoizisop al otazzerppa omaibbA .etireferp ehc aremac alled tuoyal li israrucissa id Åtilibissop eroilgim anu erenetto etnematilos <sup>2</sup>Åup )irouf enamittes 2 id <sup>1</sup>Åip( ataznava enoizatonerp al ,ocificeps oinimodnoc Åtinu id oremun nu eredeihcir elibissop al otazzerppa omaibbA. :enoizatonerp al rep otnemiregguS .onroiggos ortson li etnarud ad eraroval id odarg ni eresse rep olliuqnart aznatsabba are de ,isrednoffid rep ailgimaf artson al rep oizaps id occas nu are'c ©Âhcrep troser oinimodnoc id etius artson al rep oizaps id occas nu are'c view of a contracted anugal anu ,atireferp artson al are atseuq e ,ehcna "Â'C .ottut ad eraroval id otuicaip" A ic are are ehc atalas auqca id enugal anu ,atireferp artson al are atseuq e ,ehcna "A" ah sâ Â.Âotacrem/ Äffac ,eilgimaf rep anicsip ,itluda rep anicsip ,inibmab rep bulc ,ssentif ortnec :inoisnemid etseug id areihgrebla arutturts anu ad attepsa is dÂAehc izivres i to the ocean. There was fish and other marine life in the lagoon, and the kids really enjoyed swimming and trying to catch the creatures. A ride at the Hawks Cay Resort we didn't do, but Saw was a dolphin experience. If we'd known this was part of Hawks Cay, we'd never have been there. There are several dolphins in captivity, we have no idea as there is no information on their captivity records readily available to guests. We do not support dolphin tourism and believe that if you are going to warn animals for guest experiences, there should be transparent information clearly presented to guests. While the superise nastiness dolphin colored the experience for us. We really enjoyed Hawks Resort was very nice, the surprise nastiness dolphin colored the experience for us. back exclusively because they have captive dolphins. We realize that not everyone feels that way, and maybe things will change in the future King: Dolphins, so we still recommend Hawks Cay Resort for a vacation in Florida Keys. Book the Hawks Cay Resort for a vacation in Florida Keys. on the Duck Key. Lower Keys: Laureate Hotel, Key West will start by saying that if the Laureate Hotel Key West is on your budget or if you can find a great deal, this is our favorite hotel throughout Florida and you have to stay here. I know it's not directly in the center of Key West, but its location is perfect for being right out of the action and at the door of the rest of the lower keys. And the hotel is beautiful and all the suites! Check out our full review of The Laureate Hotel Key West! We stayed in a loft suite with 3 bedrooms from and could not have been more<sup>1</sup> perfect for our family. We took advantage of the complete kitchen (and grocery delivery d service), the dining room, relaxed in the living and exterior both on our balcony and on our rooftop deck. Our unit The hotel had a bedroom with 2 weddings on the upper level, each with access to the roof deck. The hotel is very quiet with covered parking and off-road. Also the space of the swimming pool and outdoor patio à is truly wonderful, with table games and towel service to match with many chairs by the pool. We loved our time here and would happily return to a heartbeat! Book the Laureate Hotel Key West here! (Really, you should book it) Bass: Marker Resort, Key West This is not a cheap hotel option in Key West, but stay at the historical seaside port marker Å is fantastic. The location can not be beaten, especially if you head to Tortugas National Park dry and property services they're wonderful. The rooms are very spacious and all have external space, at least a medium-sized balcony. The Å marker is really wonderful if you're on a couple's trip to Key West, but maybe you're not the cheap family option. You want to stay at Marker Key West? Book it here! Camping and waking up with your family in the large open spaces. Yes, you have more<sup>1</sup> things to pack and tasks and you have to have the mind of the camping safety rules, but it's worth it. If your vacation in Florida Keys includes camping, you're kidding yourself.
